

Temporary Workplace Signer

NRB Construction Limited, part of the Municipal Group of Companies, operates a construction branch in Saint John, New Brunswick. NRB Construction Limited is looking for **Temporary Workplace Signers** who are dedicated individuals with willingness to learn new skills and work on various projects around the greater Saint John area for the upcoming construction season. These positions will be based out of **Saint John** but may involve travel to other parts of the province as the need arises.

Primary Duties and Responsibilities:

- Responsible for the safe and effective direction of traffic through a temporary workplace
- Responsible for the establishment of safe work areas for workers during road construction
- Implementation of a traffic plan in accordance with the NS Temporary Workplace Traffic Control Manual or an approved Code of Practice
- Maintain Temporary Workplace during course of work shift to stay in accordance with TCM or Code of Practice
- Management of traffic control personnel and equipment on site
- Troubleshoot issues or potential issues with Temporary Workplace during course of work shift
- Work with foreman/superintendent to establish working plan for that day's operations or future operations
- Completion and submission of various reports, consisting of, but not limited to: timesheets, Toolbox Meetings, Daily Hazard Assessments, work orders
- Documentation of site activities, inspection logs, incidents and violations
- Ensure a safe work environment in compliance with all safety policies and procedures using the appropriate tools and equipment for the task
- Ensure safety of fellow employees
- Perform other duties as assigned.

Required Knowledge, Skills, Abilities, Education, and Experience:

- Must have valid accreditation (TWS and TCP card) issued by Provincial Traffic Authority
- Must be able to work a flexible schedule including, days, nights and weekends
- Must be reliable and punctual
- Willingness to work in a team environment
- Comply with all safety policies and procedures
- Ability to effectively communicate with co-workers and supervisors to ensure that projects are completed properly
- Working safely and professionally is a condition of employment
- Full Training program will be provided
- Pass the physical standard requirements for the job

Working Conditions:

The Traffic Control Person must remain at their position (sometimes for extended periods of time) until; relieved by another certified TCP, or work is finished, and the road is cleared of workers and equipment, or if moving to avoid a hazard. This position will require the use of PPE, Hardhat, Steel Toe Boots, and reflective vest to minimize risk on the worksite. The worksite environment for this position is outside in varying weather conditions.

A comprehensive pension and benefits package are offered with this position along with opportunities for advancement and training and development.

Application Process:

Completed applications should be submitted to:
